will be part of the session plans, the activities will allow young people to feel happy, safe and free from any negative feelings and experiences they may be experiencing from other environments that are not calm, crowded and increase anxieties.

- Young people and children will be cared for and nurtured in a welcoming environment which fosters their basic needs of a suitable place to go, eat, drink and accommodate their emotional needs to feel accepted, valued and part of a community. Children will have the opportunity to develop their skills.
