Thank you for your Freedom of Information request dated 29 October 2024, for information about complaints regarding dust from Heidelberg Material Ready-Mixed Concrete facility at Hurst Lane, Doncaster for a radius of 1km from the site.

Please find below City of Doncaster Council's responses to the questions you have raised.

Request:

"Please can I request complaints data relating to dust from the Heidelberg Material Ready-Mixed Concrete facility at Hurst Lane, Doncaster for a radius of 1km from the site? If possible, please can you include the postcode of the complainants. No further information is required relating to specific households.

Could I please request data from the last five complete years and this year to date (2019 – 2024)."

Response:

This information is excepted from disclosure under Regulation 12(3) of the EIR and has not been provided. This is because releasing this information would breach the principles of data protection as stated in the Data Protection Act and would breach Regulation 13(1) of the EIR.

The information you have requested is personal data and has not been provided in this case, as City of Doncaster Council believes that the release of such low numbers to responses could specifically lead to the identification of an individual who otherwise would not expect their personal information to be released into the public domain.

I hope that this information is useful to you.
