SUMMARY AND EXPLANATION

PART 1 SUMMARY AND EXPLANATION

1. The Constitution

The City of Doncaster Council has agreed a Constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, whilst others are chosen by the Council.

1a. What is in the Constitution?

The following is a description of each of the major parts of the Constitution:-

Part 1 - Summary and Explanation

This is a short and accessible description of the document called the Constitution and of the methods by which decisions are taken by the Council.

Part 2 - Articles of the Constitution

There are 9 Articles which set out the fundamental rules and which define what the Council is; how its Mayor and Members are elected and work; how citizens can access the Council and its decision making structures; how policy is formed and how decisions are made, recorded, publicised and scrutinised; the work of certain officers and, finally, how the Constitution may be changed.

Part 3 - Responsibility for Functions

This identifies which part of the Council has responsibility for specific functions. Particularly important is the division of responsibilities between the Executive and the Full Council and the record, known as the "scheme of delegation" of who can take decisions in relation to those functions.

Part 4 - Rules of Procedure

This brings together eight sets of detailed rules which govern how every part of the Council operates.

Part 5 - Codes of Conduct

This contains a Statement of Vision and Values and sets out codes of conduct for Members and Officers and a protocol for Member and Officer relationships.

PART 1

SUMMARY AND EXPLANATION

Part 6 - Members

This has three parts. The first are job profiles which identify key rights and responsibilities across the diverse range of the duties of the Mayor and Members. The second is the scheme of Members' allowances, and the third sets out the arrangements for Members to declare their interests, in accordance with the Members' Code of Conduct.

PART 1 SUMMARY AND EXPLANATION

1b. What is the Purpose of the Constitution?

- (a) The purpose of the Constitution is to ensure efficient, transparent and accountable decision making in achieving the purposes and goals of the Council.
- (b) The Council has agreed a Corporate Plan which summarises the Council's key outcomes to be achieved through operating this Constitution. The table below shows the closest alignment between the Mayor's priorities and the outcomes in the Corporate Plan. However, it should be noted that the majority of the Mayor's priorities will help to progress more than one outcome.

Corporate Plan Outcome	Mayoral Priority
1. All people in Doncaster benefit from a thriving and resilient economy.	<ul style="list-style-type: none"> • Creating jobs and housing • Be a strong voice for our veterans • Protecting Doncaster's vital services
2. People live safe, healthy, active and independent lives.	<ul style="list-style-type: none"> • Safeguarding our communities • Bringing down the cost of living
3. People in Doncaster benefit from a high quality built and natural environment.	<ul style="list-style-type: none"> • Creating jobs and housing • Safeguarding our communities • Bringing down the cost of living
4. All families thrive.	<ul style="list-style-type: none"> • Protecting Doncaster's vital services
5. Council services are modern and value for money.	
6. Working with our partners we will provide strong leadership and governance, working in partnership.	

PART 1

SUMMARY AND EXPLANATION

- (c) In following this Constitution, the Council will:-
- (i) provide clear leadership to the community through the work of Members and Officers;
 - (ii) develop overview and scrutiny as a powerful and accessible tool to facilitate the involvement of citizens and other stakeholders in Council decision making and in holding decision makers to account.
 - (iii) make known who is to take decisions, when and on the basis of what information decisions are to be taken, and publish the reasons for decisions which have been taken.
 - (iv) demonstrate continuous improvement in the delivery of services.
 - (v) demonstrate absolute integrity and probity, using the Audit Committee to promote high ethical standards.
 - (vi) take steps to promote equality and to eliminate unlawful discrimination in the Council and the Borough.
 - (vii) take steps to promote the economic, social and environmental well-being of the area.
 - (viii) take steps to reduce crime and disorder.

PART 1

SUMMARY AND EXPLANATION

2. How the Council Operates

The Council is composed of a directly elected Mayor and 55 Councillors. Both the Mayor and Councillors are elected for four year terms (starting on the fourth day after being elected and ending on the fourth day after the date of the ordinary election four years later). Councillors are accountable to residents of their Ward and, whilst they have an overriding duty to the whole of the Borough, they have a special duty to their constituents, including those who did not vote for them.

The Mayor is covered by the same rules which apply to Councillors and except where stated, or is obvious from the context, references in the constitution to Members or Councillors include the Mayor.

The term Executive is widely used. This refers to the Mayor and the Cabinet Members acting individually or together. In some circumstances it also includes officers taking certain decisions.

The Executive is responsible for carrying out all of the Local Authority's functions which are not the responsibility of any other part of the local authority, whether by law or under this Constitution. The Executive will consist of the elected Mayor together with at least 2, but not more than 9, Councillors appointed to the Executive by the Mayor. These Councillors will together form the Cabinet.

Councillors agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Audit Committee oversees that Code of Conduct and trains and advises elected Members on its operation.

All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the majority of the Council's overall policies and set the budget each year.

The Mayor is personally responsible for appointing a Cabinet of between two and nine Councillors and for allocating responsibility to these Cabinet Members. These responsibilities are called portfolios.

PART 1

If the Mayor is unable to act or the office is vacant, at the same time as the Deputy Mayor is unable to act or the office of Deputy Mayor is vacant, then the Cabinet must act in the Mayor's place, or arrange for a Member of the Cabinet to do so.

PART 1 SUMMARY AND EXPLANATION

- (d) **Removal from Office.** The Mayor may remove the Deputy Mayor from office at any time by serving a notice in writing to the Chief Executive. The notice must also appoint a new Deputy Mayor in order to be effective. The removal and appointment will take effect immediately on receipt of the notice by the Chief Executive. A change of Deputy Mayor must be reported by the Mayor to the next meeting of the Cabinet and the next meeting of the Full Council.

Other Cabinet Members

The Mayor shall appoint at least 2 and no more than 9 Councillors as Cabinet Members. The Cabinet need not be politically proportionate. Members of the Cabinet will hold office until:-

- (a) they are removed from office by the Mayor who must give written notice of any removal to the Chief Executive. The removal will take effect immediately on receipt of the notice by the Chief Executive;
- (b) they are no longer Councillors; or
- (c) they are disqualified from being Councillors under the Localism Act 2011.

A motion of no confidence in one or more Members of the Cabinet by the Full Council is NOT sufficient to terminate the office of that Member or those Members.

Members of the Cabinet may not be Members of Overview and Scrutiny Committees.

Meetings are only closed to the public where confidential or exempt issues are being discussed. A definition of confidential and exempt information is set out in the Access to Information Procedure Rules contained within Part 4 of the Constitution.

The Executive has to make decisions which are in line with the Council's Budget and Policy Framework. If it wishes to make a decision which is outside the Budget or Policy Framework, this must be referred to the Council as a whole to decide.

PART 1

SUMMARY AND EXPLANATION

4. How Decisions are Made

The Mayor and Cabinet, together known as the Executive, are the part of the Council which is responsible for most of the day to day decisions. When major or “key” decisions are to be discussed or made, these are published, in advance, in the Forward Plan. An explanation of the Forward Plan is set out in the Access to Information Procedure Rules in Part 4 of this Constitution. If these major decisions are to be discussed with Council Officers at a meeting of the Executive this, too, will usually be open for the public to attend.

5. Overview and Scrutiny

The Overview and Scrutiny Management Committee is responsible for ensuring robust and independent overview and scrutiny. This function supports the work of the Executive and the Council as a whole and allows citizens to have a greater say in Council matters by holding public inquiries into matters of local concern.

The work of Overview and Scrutiny Sub-Committees (locally known as Panels) is co-ordinated by the Management Committee. The Sub-Committees send reports and recommendations to the Executive and to the Council on its policies, budget and service delivery.

The Overview and Scrutiny Management Committee is also responsible for holding the Executive to account over the individual decisions it makes. In exceptional circumstances, the decisions of the Executive can be put on hold through the “call-in” mechanism and sent back by the Overview and Scrutiny Management Committee to the Executive to be reconsidered in the light of the recommendations of the Overview and Scrutiny Management Committee.

PART 1 SUMMARY AND EXPLANATION

6 The Council's staff

The Council has people working for it (sometimes called officers, staff, or employees), to give advice, implement decisions and manage the day to day delivery of services. EXERCISE OF DELEGATION BY THE MAYOR AND CABINET MEMBERS

Where decisions are taken or powers are exercised by the Mayor or Cabinet Members acting under individual delegations from the Mayor, the following principles and conditions shall apply:-

1. Powers and duties shall be exercised in accordance with the Law, the Council's Procedure Rules, Financial Procedure Rules, Contract Procedure Rules and any policies relevant to the functions delegated. Members must also be mindful of the requirements under the Member Code of Conduct and where appropriate make it known if there is an interest to declare. Where a Member has an interest, that Member should take no part in the decision.
2. Decisions taken in the name of the Mayor or individual Cabinet Members shall be taken personally by the individual with delegated powers.
3. Decisions must be taken on the basis of a written report setting out all the information and advice relevant to the decision, evaluating any alternative courses of action and recording the outcome of any consultation undertaken.
4. Rule 21(4) of the Access to Information Procedure Rules requires the Mayor or Cabinet Member taking a decision to prepare, or instruct the Chief Executive to prepare, a record of the decision including a statement of the reasons for it and any alternative options considered and rejected.
5. The Financial Procedure Rules set out the requirements of the Council in ensuring principles of accounting good practice and financial probity are adhered to. Compliance with these rules is required in order to protect the interests of the decision maker and of the Council.
6. Any delegated powers can also be exercised at any time by the Mayor, or unless the Mayor directs otherwise, by the Cabinet collectively.
7. In exercising delegated powers consistency with the Council's Budget and Policy Framework will be of paramount importance.
8. Due regard must be had to the principles of decision making set out at Article 8.02 (a) to (k) of the Constitution.

EXERCISE OF DELEGATION BY OFFICERS

In deciding whether or not to exercise delegated powers, Officers shall consult with the Mayor/Deputy Mayor or relevant Cabinet Member. Whilst the Scheme of Delegation sets out at paragraph 5 the types of decisions Cabinet Members should take, it is expected that each Executive Director will meet with their respective Portfolio Holders to agree arrangements for consulting with them on certain types of decisions to be taken by officers within their Directorate. Where decisions are taken or powers are exercised by Officers under delegations from the Mayor, the following principles and conditions shall apply:-

1. Powers shall be exercised in accordance with the Law, the Council's Procedure Rules, Financial Procedure Rules, Contract Procedure Rules and any policies relevant to the functions delegated.
2. Decisions shall be taken in the name of, but not necessarily personally by, the Officer with the delegated power. Any Officer with delegated powers may authorise another Officer to act in their name. Such decisions remain the responsibility of the Officer with the delegation.
3. Key decision making must be taken on the basis of a written report setting out all the information and advice relevant to the decision, evaluating any alternative courses of action and recording the outcome of any consultation undertaken.
4. It is the responsibility of Officers who take delegated Non-Key Decisions to keep an appropriate record of the date the decision was taken, the principal considerations involved in reaching the decision and the reasons for the decision.
5. In exercising delegated authority regard must be had to:-
 - (i) the policy directions given by the Mayor;
 - (ii) the comments and views of relevant Cabinet Member(s);
 - (iii) the principles set out in Article 8.02 (a) to (k) of the Constitution; and
 - (iv) the requirement to demonstrate the need to provide continuous improvement of the delivery of services.
6. In exceptional circumstances (in particular where set out in the Council's urgency procedures) Officers will together with the relevant Cabinet Member consult the Overview & Scrutiny Management Committee Chair or relevant Scrutiny Panel Chair. Officers shall always be entitled to refer matters for decision to the appropriate Member body where they consider they should do so.
7. In exercising these delegated powers the officers concerned shall have broad discretion, subject to these rules, to use the most efficient and effective means available, including the deployment of staffing and other

resources within their control and the procurement of other resources necessary whether within or outside the Council.

8. Officers shall act so as to achieve for their service the policies and objectives of their Service and always having regard to the overall and corporate interests of the Council.
9. In the absence of an Executive Director, decisions delegated to that Executive Director may be taken by their authorised deputy.
10. Any power delegated to officers may, unless the Mayor directs otherwise, also be exercised by the Mayor or the Cabinet collectively, and where the Mayor directs, by individual Cabinet Members.
11. Decisions about the overall structure of the Directorate and the make-up of services within the Directorate are reserved to the relevant Executive Director, in consultation with the Portfolio Holder and in accordance with Council procedures and guidance.

PART 4

RULES OF PROCEDURE

2. ACCESS TO INFORMATION PROCEDURE RULES

PROTOCOL

DISCLOSURE OF CONFIDENTIAL OR EXEMPT INFORMATION BY MEMBERS

Under paragraph 4.1 of the Members' Code of Conduct, there are only limited situations where a Member is entitled to disclose confidential information. One of these is where the disclosure is reasonable and in the public interest, and is made in good faith and in compliance with the 'reasonable requirements' of the Council. These requirements are set out below.

Where a decision has been made under these Rules to exclude public access on the basis that confidential or exempt information would otherwise be disclosed, or in any other circumstances where a Member wishes to disclose a document containing confidential or exempt information, the Council requires the Member to approach the Monitoring Officer for a decision as to whether that information should be disclosed by taking the following steps: -

- 1) The Member must submit a request in writing to the Monitoring Officer stating:
 - the information which he/she proposes to disclose;
 - to whom it is proposed disclosure will be made to; and
 - the rationale for its disclosure stating why they consider it to be reasonable and in the public interest to do so.
- 2) The Member should give reasonable notice of their intention to make such a disclosure (usually 5 working days notice unless exceptional circumstances apply which are set out in the request).

The Monitoring Officer will consider whether, if the Council received a Freedom of Information request at the time, the Council would not be obliged to disclose that information. In such a case disclosure will be refused. The Monitoring Officer in coming to his/her decision will give particular consideration to the public interest reasons for disclosure proposed by the Member, and to the Member's right of freedom of expression and the particular importance of that right for elected representatives.

Members will also have regular access to personal information. Members are likely to use personal information in a variety of roles and in some instances they may be required to register with the Information Commissioner dependent on the role or roles in which they are using personal data.

In addition, in their use of personal data, Members need to be aware of their own personal responsibilities to ensure that their use of such data is fair and lawful and in accordance with good practice. Members also need to take appropriate security to protect personal information that they hold.

Further advice can be obtained from the Council's Information Management Officer.

PART 4 – RULES OF PROCEDURE

6. FINANCIAL PROCEDURE RULES

INTRODUCTION

- 1.1 These **Financial Procedure Rules** form part of the overall control framework within which Doncaster Council operates. They aim to facilitate effective service delivery by setting out best practice for the administration of all financial matters throughout the Council, ensuring a high quality of financial information and enabling decision making. They enable the Council to conduct its business efficiently and operate an appropriate level of public accountability.
- 1.2 The Constitution defines the rules governing the procedures of the Council including responsibility for functions, Contract Procedure Rules and these Financial Procedure Rules.
- 1.3 The Constitution defines the framework within which the powers to make decisions, take action etc. are delegated to the appropriate level in the organisation. In particular the Constitution: -
- requires all Directors to act within the terms of these Rules in the exercise of their delegated powers;
 - empowers the Chief Financial Officer (CFO) to act as the Proper Officer under Section 114 of the Local Government Finance Act 1988 (as amended) and the Local Government Act 2003;
 - empowers the CFO to exercise the proper administration of the Council's financial affairs under Section 151 of the Local Government Act 1972 (as amended).
- 1.4 The Contract Procedure Rules define the correct procedures to be followed when the Council enters into any contractual arrangement and should be read in conjunction with these Rules.
- 1.5 The Finance Manual is a comprehensive document detailing all aspects of financial systems and procedures and is designed for use on a day to day basis by staff involved in any aspect of financial administration. Any new or revised instructions on financial matters issued by the CFO will be incorporated into the Finance Manual.

Application of the Rules

- 2.1 These rules apply across all parts of the Council. They govern management of financial resources and assets under the Council's direct control but also extend to the Council's partnerships, its subsidiaries, its associates, joint ventures, joint operations and any other arrangements in which the Council has an interest. This is to the extent that they are capable of being imposed by virtue of the Council's control or influence and would not be detrimental to the interests of the Council. Doncaster Schools have their own financial procedure rules, approved by governors, which are aligned to those of the Council.

PART 4 – RULES OF PROCEDURE

6. FINANCIAL PROCEDURE RULES

- 2.2 All members and staff have a general responsibility for taking reasonable action to provide for the security of the assets, funds and resources under their control, and for ensuring that the use of these resources is legal, is properly authorised and provides value for money.

Maintaining the Rules

- 3.1 The Council operates a system of managerial and financial control whereby the CFO has overall responsibility for the proper management of the finances of the Council as a whole but the responsibility for the day-to-day financial control and administration in Directorates and other corporate project and programme work is devolved to the relevant Director.
- 3.2 The overall responsibilities of the CFO in respect of these rules are therefore to:
- maintain these Rules and submit any additions or changes necessary to Council for approval in consultation with the MO (Monitoring Officer) and Chief Executive;
 - issue explanatory advice and guidance to underpin these Rules as necessary. Where such advice and guidance is issued, Members, officers and others acting on behalf of the Council are required to comply with the general provisions of these Rules;
 - require any officer to take any action deemed necessary (as is proportionate and appropriate) to ensure proper compliance with these Rules;
 - report, where appropriate, any breaches of these Rules to Members;
 - report all waivers of Rules to Members approved by the CFO during the course of any financial year which the CFO has delegated authority to determine.
- 3.3 Should any uncertainty or dispute arise pursuant to these Rules, the matter must be referred to the CFO for interpretation and/or arbitration.

Non-Compliance with the Rules

- 4.1 Failure to comply with any part of these Rules may constitute misconduct and lead to formal disciplinary action. Non-compliance will be referred for management action, to be dealt with by the relevant Director in most instances. Serious breaches will be referred to the CFO who may require remedial action to be taken by the Director.
- 4.2 Any waivers or non-compliance will be reported to Audit Committee on a 6-monthly basis.

PART 4 – RULES OF PROCEDURE

6. FINANCIAL PROCEDURE RULES

General Principles of Financial Management

5.1 The financial management staff report to the CFO and provide day to day support to all Directorates. They are able to provide assistance to any member or officer regarding financial management. The general principles of financial management operated in the Council follow best practice guidance and aim to ensure that: -

- roles and responsibilities are clearly understood;
- there is a system of financial control which ensures that transactions are authorised appropriately, with adequate separation of duties;
- financial transactions are recorded properly, with a clear audit trail;
- clear, up-to-date and accurate position reports will be provided to Directors and Cabinet to properly monitor the financial standing of the Council;
- risks are managed on an ongoing basis and, for significant projects with financial impact, risks are registered and managed;
- the Council's Enterprise Resource Planning (ERP) system and other key financial systems and processes are documented and business continuity plans in place to maintain effective financial administration at all times;

7. CONTRACT PROCEDURE RULES

SECTION 1 – SCOPE OF CONTRACT PROCEDURE RULES

1.0 Introduction

- 1.1 Strategic Procurement is ‘the process of acquiring goods, works and services, covering both acquisitions from third parties and from in-house providers. The process spans the **whole life cycle** from identification of needs, through to the end of a services contract or the end of the useful life of an asset. It involves options appraisal and the critical 'make or buy' decision.’¹
- 1.2 These Contract Procedure Rules outline the policy and procedures for the procurement activities across the Council that includes ordering for the purchase, commissioning, hire and lease of goods, services and works on behalf of the Council.
- 1.3 Compliance with the Contract Procedure Rules ensures that:
- All providers are treated fairly and equally, and that all procurement takes place in an open and transparent way, encouraging competition.
 - The rules and procedures governing the procurement process are set out clearly for Council Members, Officers, third parties buying or commissioning on behalf of the Council, providers and other interested stakeholders.
 - All elements of procurement, from identifying the need through to disposal of goods or ending of contracts, are governed to ensure sound, robust procurement practice.
 - The Council complies with Public Procurement Regulations (“the Regulations”), the Health Care Services (Provider Selection Regime) Regulations 2023, and any other legislation governing public sector procurement.
 - The Council can defend against allegations of incorrect or fraudulent procurement practice, should the need arise.
- 1.4 The Council has a duty to make the best use of its assets and finances on behalf of the residents and businesses of the borough. It is important that goods, services and works are procured in a way that offers value for money and is carefully regulated, lawful, and ensures transparency and accountability.
- 1.5 The following pages offer further details in relation to the compliance and general requirements around procuring goods, services and works on behalf of the Council and should be read and complied with for any procurement activities.
- 1.6 It also should be noted that these Contract Procedure Rules should be read in conjunction with the Council’s Finance Procedure Rules (FPR’s), the Contract Procedures Guide and other Procurement Guides in order for Council employees to discharge their responsibilities accordingly.

7. CONTRACT PROCEDURE RULES

21.0 Contract Terms and Conditions

21.1 The officer shall use their best efforts to ensure that Contracts are entered into on the Council's terms and conditions, which shall be included with each purchase order or Invitation to Tender. Where this is not possible, because the Council's terms and conditions are not suitable, and a provider has been asked to submit their own terms and conditions, where there are material changes to the Council's terms and conditions, they must be formally approved in writing by the Monitoring Officer (or nominated deputy) before they can be accepted.

22.0 Contract Extensions and Variations

Variations

22.1 **Variations** must be evidenced in writing.

22.2 All Contract variations must be carried out within the scope of the original Contract. Contract variations that materially affect or change the scope of the original contract are not allowed unless approved by the Monitoring Officer. If a material change is accepted then notices must be published in accordance with the regulations.

22.3 A new procurement is required in the case of a material change where one or more of the following conditions are met:

- The variation introduces conditions which, had they been part of the initial procurement exercise, would have allowed for the admission of other tenderers than those initially selected or for the acceptance of an offer other than that originally accepted or would have attracted additional participants in the procurement procedure;
- The variation increases the value of the contract or the framework agreement substantially in favour of the provider in a manner which was not provided for in the initial contract or framework agreement;
- The variation extends the scope of the contract or framework agreement considerably.

22.4 All contract variations must be in writing and signed by both the Council and the provider except where different provisions are made within the contract documentation.

22.5 The value of each variation must be assessed by the Authorised Officer and all necessary approvals sought prior to the variation taking place including registrations on the Council's forward plan if applicable.

22.6 Approval for any variation shall be sought in writing from the Director in a timely manner and supported by an appropriate decision record signed by the Director.

22.7 If the variation relates to a contract that has previously been waived then a CPR Waiver Report Addendum should be completed and signed by the Monitoring Officer (or the Chief Financial Officer if the waiver relates to Legal and Democratic Services contracts).

PART 4 RULES OF PROCEDURE

This must be formalised via an ODR authorised by the Monitoring Officer.

24.2 The Monitoring Officer must be consulted where there are serious concerns over the performance of a contract.

24.3 The Monitoring Officer must be consulted if the performance of a contract is giving rise for concern and consideration is given to termination.

- 28.2 Purchasing cards must not be used as a way of bypassing CPRs. For further guidance refer to the Purchase Card Policy or contact SPT.

29.0 Cost Control

- 29.1 The Director shall ensure that suitable procedures are laid down and followed for the effective cost control of all contracts. PART 5

2. MEMBERS CODE OF CONDUCT

Adopted 21st May 2021

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of the Council or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
 - b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;
- and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

“the Council” means City of Doncaster Council

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, Council officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and Council officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my Council’s requirements and in the public interest.

PART 5

2. MEMBERS CODE OF CONDUCT

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor. The Code of Conduct was adopted by a meeting of City of Doncaster Council's Full Council Meeting on 21st May 2021 with immediate effect.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

The Council's Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken. Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

PART 5

2. MEMBERS CODE OF CONDUCT

1.2 I treat Council employees, employees and representatives of partner organisations and those volunteering for the Council with respect and respect the role they play. Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the Council, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and Council employees, where concerns should be raised in line with the Council's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the Council's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

PART 5

2. MEMBERS CODE OF CONDUCT

3. Impartiality of officers of the Council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the Council.

Officers work for the Council as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 1. reasonable and in the public interest; and
 2. made in good faith and in compliance with the reasonable requirements of the Council; and
 3. I have consulted the Monitoring Officer prior to its release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law. Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the Council must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or the Council into disrepute.

PART 5

2. MEMBERS CODE OF CONDUCT

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or the Council and may lower the public's confidence in your or the Council's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute.

You are able to hold the Council and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the Council provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will affect others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of Council resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the Council or authorising their use by others:

- a. act in accordance with the Council's requirements; and
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of Council or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the Council to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of Council buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the Council's own policies regarding their use.

PART 5

2. MEMBERS CODE OF CONDUCT

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by the Council.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me by the Audit Hearings Sub-Committee following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the Council or its governance. If you do not understand or are concerned about the Council's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the Council

9. Interests

As a councillor:

9.1 I register and disclose my interests. Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the Council.

You need to register your interests so that the public, Council employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises.

The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from the Monitoring Officer.

PART 5

2. MEMBERS CODE OF CONDUCT

10. Gifts and hospitality

As a councillor:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the Council or from persons who may apply to the Council for any permission, licence or other significant advantage.

10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.

10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the Council, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

2. MEMBERS CODE OF CONDUCT

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in Table 1 (Disclosable Pecuniary Interests) which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in Table 2 (Other Registerable Interests).

"Disclosable pecuniary interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in Table 1, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which directly relates to one of your Other Registerable Interests (as set out in Table 2), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

PART 5

2. MEMBERS CODE OF CONDUCT

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which affects –

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a friend, relative, close associate; or
- c. a body included in those you need to disclose under Disclosable Pecuniary Interests as set out in Table 1

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter affects your financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

3. CODE OF CONDUCT FOR EMPLOYEES

INTRODUCTION

This Code of Conduct (“the Code”) describes the standards of conduct and practice within which City of Doncaster Council employees should follow. The purpose of this Code is to ensure that all employees are clear about the standard of behaviour that is expected of them.

1. PRINCIPLES

This Code sets down standards of behaviour and conduct the Council expects of all its employees. The Council, for its part, will provide a positive and enabling culture, fair remuneration and the necessary resources, including accommodation, equipment, consumables, training and support, for a safe and effective working environment.

The Code forms part of the wider employment package of legislation, rules and guidance that relate to employment and services. The Code compliments, and should be read in conjunction with, the Council’s policies and procedures on employment, conduct, gifts and hospitality, financial matters and underpins the Team Doncaster Charter, as well as other professional codes of conduct.

This Code is comprehensive but may not cover all eventualities; in such circumstances the spirit of the Code is deemed to apply. Using the Code at all times will help to provide high quality services and promote public trust and confidence – in City of Doncaster Council in particular, and local government services in general.

Breaching the Code of Conduct may lead to disciplinary action under the Council’s Disciplinary Policy.

2. SCOPE

The Code applies equally to all employees regardless of position, grade, and length of service or terms of employment.

This code can also apply to employees in schools where the governing body has delegated powers, if the Code has been adopted by the governing body.

3 OPERATION OF THE CODE

The Code is a key element in the employment relationship: it is therefore an integral part of the contract of employment. It will form a major part of every employee’s induction. Managers and supervisors must ensure that all employees are aware of, and understand, the Code.

In accepting a contract of employment with the Council, all employees are bound by the terms of the Code. Employees must have regard to, and understand, the Code and the standards of conduct and behaviour they must meet and display at all times.

PART 5

3. CODE OF CONDUCT FOR EMPLOYEES

4 THE COUNCIL COMMITMENT

The Council will ensure that:

- Written policies and procedures are in place to confirm and encourage statutory, professional and locally agreed good practices;
- It's culture is promoted and adhered to in all respects;
- A safe and supportive working environment is provided;
- The diversity of employees is recognised;
- Sufficient resources are available to carry out duties;
- Communication with employees is open and effective;
