Dear

Thank you for your Freedom of Information request dated 17th July 2024 for information about stop smoking services. Please find below City of Doncaster Council's responses to the questions you have raised.

Question 1:

How much budget is allocated to helping people in the local community quit smoking each year? Please provide the most up to date information possible, either for 2023 or 2024. We define 'quit smoking' as any campaigns, marketing, events, health services, resources, or groups in the local area that are specifically created to help people on their journey to quitting smoking and how much this costs the council each year, either for 2023 or 2024?

Response:

The budget for Community Stop Smoking service 24-25 is £618,975.

The budget for Smoking in Pregnancy Service 2024 25 is £216,208.

Question 2:

Do you offer free 'e-cigarettes' or Vapes as part of your quit smoking strategy?

Response:

E cigarettes are provided by the Community Stop Smoking Service, but not provided by the Smoking in Pregnancy Service.
