Thank you for your Environmental Information Regulations (EIR) request dated 30 October 2024, for information about Tree Preservation Orders (TPOs) .

Please find below City of Doncaster Council's responses to the questions you have raised.

Request:

"I am writing to request the most recent shape files related to Tree Preservation Orders (TPOs) in a recognized vector format. Currently, our ability to analyze TPO-designated areas is limited by insufficient detail, and access to these files in vector format is essential for accurate mapping and planning purposes.

If shape files are not available, we would be happy to accept a CSV or XLS file listing all protected trees along with their coordinates so that we can map them accurately in GIS software.

As TPOs are part of public land and environmental records, these files should be publicly accessible. I kindly request that you provide these files in the specified formats for ease of use and integration with our mapping systems."

Response:

Regulation 6(1)(b)

The information you have requested is publicly available and can be found at:

<https://www.doncaster.gov.uk/services/planning/protected-trees-and-woodlands> under 'How are trees protected'.

There is an interactive map of TPO's.

I hope that this information is useful to you.

Reviewing any decisions made:
