Non-Domestic Stalking Service

Victim Support South Yorkshire has a Stalking Victim Care Advocate who can support anyone who has been a victim of stalking by a stranger or acquaintance.

Stalking is a serious crime and you do not have to suffer in silence. If this is happening to you or someone you know, we can support you. We are non-judgemental and can give you impartial information and support about your situation.

Our services are free, confidential and available to everyone, whether or not the crime has been reported and regardless of when it happened.
