

# Believing and Belonging

## RE Syllabus Launch

Friday 9 May 2025

09:00 - 15:30

**Ecopower Stadium, Stadium Way, Doncaster DN4 5JW**

This full day event launches the new RE agreed syllabus for Doncaster. This is the local agreed syllabus and must be used for teaching RE in maintained schools and is also available freely to all academy schools in the city. Colleagues attending will:

- Receive a full and clear briefing of what's in the syllabus and how to use it
- Learn about resources available to support teaching, including detailed classroom-ready planning and PowerPoints
- Meet members of local faith and belief communities and have the opportunity to explore ways of enriching RE
- Explore a range of teaching and learning activities to take away and use in school

The day will be led by the team from Pennine Learning who have been commissioned by Doncaster SACRE to develop the syllabus, resources and support our schools in Doncaster. They also work with other local authorities across the north of England.

*Alastair Ross is a former secondary RE lead and advanced skills teacher. Helen Rivers is a primary specialist. They both now advise, train and produce resources for schools in RE, equality and diversity, interfaith and fundamental values.*

**Lunch is included!**
